II. SCOPE OF SERVICE

The Commission is seeking proposals from interested parties to provide services as outlines below. These services shall include, but not be limited to:

1. Establish a format for use by each of the State retirement systems in submitting the information requested by the Commission for the Quarterly report. Submit quarterly reports within two months of the close of each quarter on each of the state retirement systems. Quarterly reports must contain:
 1. Combined and individual rates of return of the investment managers by category of investment, over periods of time;
 2. The data obtained pursuant to subparagraph A of this paragraph compared with similar data for a larger population of investment managers by asset class as well as by style of management;
 3. Any other information that the Commission requires.
2. Submit an annual comparative performance report containing:
 1. On an individual and consolidated basis, an analysis of the written investment plans developed by each retirement system as required by law;
 2. A qualitative and quantitative analysis of the performance of the custodian employed by each governing body of the retirement systems specified in paragraph I. Of this subsection and the performance of the Office of the State Treasurer with regard to retirement system monies;

3. The result of the analysis prepared pursuant to subparagraphs A. and B. of this paragraph compared with similar data for a larger population;
 4. Recommendations of administrative and legislative changes which are necessary to improve the performance of the retirement systems in accordance with current standards for large public fund portfolio management; and
 5. A summary of the results of the most recent actuarial valuation to include total assets, total liabilities, unfunded liability over funded status and contributions and any other information deemed relevant by the Commission. The results shall be determined using the standards prescribed by the Government Accounting Standards Board or any successor entity.
3. For purposes of this subsection, the pension fund management consultant hired by the Commission is hereby considered a fiduciary of the state retirement systems.
1. A fiduciary with respect to the state retirement systems shall not cause or advise a retirement system to engage in a transaction if the fiduciary knows or should know that such transaction constitutes a direct or indirect:
 1. Sale or exchange, or leasing of any property from a retirement system to a party in interest for less than adequate consideration or from a party in interest to a retirement system for more than adequate consideration;
 2. Furnishing of goods, services or facilities from a retirement system to a party in interest for less than adequate consideration, or from a party in interest to a retirement system for more than adequate consideration; or
 3. Transfer to, or use by or for the benefit of, a party in interest of any assets or a retirement less than adequate consideration.
 2. A fiduciary with respect to the state retirement systems shall not:
 1. Deal with the assets of a retirement system in the fiduciary's own interest or for the fiduciary's own account;
 2. In the fiduciary's individual or any other capacity act in any transaction involving a retirement system on behalf of a party whose interests are adverse to the interests of its participants or beneficiaries; or
 3. Receive any consideration for the fiduciary's own personal account from any party dealing with a retirement system in connection with a transaction involving the assets of a retirement system
 4. Keep abreast of important general economic developments and explain their impact on the financial success of each Pension and Retirement System.
 5. Perform independent calculations of the rates of return directly from each systems custodian banks- tapes.

The Commission agrees that the effective date of the contract shall be for one year beginning on July 1, 2000 through June 30, 2001 (the maximum allowable under Oklahoma Statutes) with an annual option to extend the contract for three (3) additional years, for a total of four (4) years.
